July 2011

**Graduation  
University of Leeds**

I graduated with 2:1 BAHons Graphic and Communication Design (Ind). I wrote a dissertation titled "Effective Green Marketing".

Present

**Freelance  
Web and Print Designer**

I currently work self-employed as a freelance web and print designer. Projects I have worked on range from logos to leaflets to full website design and builds.

Jan-Jul 2010

**Cinq Mars, Paris  
Communications Internship**

I spent seven months in Paris creating various types of communication for clients including Adidas and Reebok. I reached an advanced level in speaking French.

Oct-Dec 2009

**Stream Marketing, London  
Direct Marketing Internship**

Working with marketing experts at Stream was a fantastic experience. I worked on various campaigns each requiring a new approach to meet the target audience's needs.

Sept 2009

**JDA, Leeds  
Advertising Placement**

JDA taught me to scamp and generate lots of ideas when responding to a brief. During my placement I produced a series of adverts presented to Thomas Cook.

Jun-Aug 2009

**RK6, Leeds  
Web Design Internship**

RK6 equipped me with the skills to design and develop websites, emails and banners. This internship gave me the confidence to start working freelance.
